

Advertise and Sell Products on the Internet

eCommerce

by **ASI Computer Systems**

- **Unlimited number of webstores**

With one low price, you can create and maintain an unlimited number of webstores.

- **Shopping cart program / import orders**

Automated order entry from on-line, real-time catalog of items. Orders are generated on your website and imported into the Profitmaker® order entry software. No re-keying of orders.

- **Email order confirmation**

Automatically generate an email order confirmation to your customers.

- **Real time inventory levels**

Integrates directly with Profitmaker® inventory module.

- **Order status**

Real time order status, customer history, and shipping tracking information.

- **UPS / FEDX integration**

On-line immediate real-time shipping charges and package detail.

- **Credit card payments**

On-line credit card authorization.

- **New customers**

New users can be created on the fly from your webpage.

- **Simple maintenance**

Add, delete, and edit the detail of items on your web site simply by making a change in your ASI Profitmaker® inventory module, eliminating the need to pay a web designer to make changes.

Now your business can be seamlessly integrated from the ProfitMaker® order entry accounting system directly to your internet web site with our eCommerce solution!
